Factory-trained BMW technicians — precision repairs

Your BMW deserves expert care. Our master technicians are trained specifically on BMW systems — from N54 twin-turbo engines to iDrive electronics and xDrive all-wheel drive. Genuine OEM parts, advanced ISTA diagnostics, and performance tuning.

- ✔ Engine repair & performance upgrades
- ✔ Transmission service & repair
- ✔ Electrical & iDrive diagnostics
- ✔ Suspension, brakes, cooling systems
- ✔ Factory scheduled maintenance

🔧 Common BMW issues we fix

✅ Oil leaks (valve cover, oil filter housing)
✅ Cooling system failures (water pump, thermostat)
✅ VANOS & timing chain problems
✅ Electrical gremlins (battery, modules, sensors)
✅ Suspension noise (control arms, bushings)

BMW repair & performance services

⚙️ **Engine Repair**
N20, N55, B58, S55 engines. Timing chains, VANOS solenoids, turbo replacement, oil leaks. Factory procedures.

🔄 **Transmission Service**
ZF 8-speed, DCT, manual transmissions. Fluid service, mechatronics repair, clutch replacement.

⚡ **Electrical Diagnostics**
ISTA+ factory diagnostics. Battery registration, module coding, FRM repair, iDrive issues.

🏎️ **Performance Tuning**
ECU remap (Stage 1/2), downpipes, intercooler, intake, exhaust. Dyno testing available.

🛞 **Suspension & Brakes**
Control arms, bushings, struts, shocks, EDC repairs. Brake pads, rotors, calipers.

🔧 **Factory Maintenance**
Oil service, brake fluid flush, coolant flush, spark plugs, filters. Resets CBS counter.

Why choose a BMW specialist over a general mechanic?

BMWs require specialized knowledge, tools, and software.

📟 **Factory diagnostic equipment**
ISTA+ dealer-level software. Reads all modules, performs coding, adaptations, and programming.

🔧 **Genuine OEM parts**
Original BMW parts. 2-year warranty on parts and labor. No aftermarket shortcuts.

📚 **Ongoing training**
Our technicians complete BMW factory training annually. Up-to-date on all models.

⏱️ **Faster diagnosis**
We know common BMW failure points. No guesswork — accurate repairs first time.

Our repair process

🔍 **1. Free diagnostic**
ISTA+ scan, visual inspection, test drive. Written report with findings and quote.

📋 **2. Transparent estimate**
Itemized parts and labor. No hidden fees. Genuine BMW parts included.

🔧 **3. Expert repair**
Factory-trained technicians. Vehicle serviced to BMW specifications.

✅ **4. Quality check & warranty**
Post-repair road test. 2-year / 24k mile warranty on parts and labor.
